

**PRESS INFORMATION**  
**Paris, May 7th 2020**

Dear players,

It is with great emotion that we have made the difficult decision to cancel Paris Games Week, initially scheduled from 23<sup>rd</sup> to 27<sup>th</sup> October and which would have marked our 10th anniversary.

The current context and the necessary anticipation of both the technical and logistical complexities of an event such as Paris Games Week have led us to cancel this edition.

This year should have been special, with a line-up full of new releases, and an anniversary edition which we were thrilled to celebrate with you.

We are going to work with all the industry players to enable us all to live our passion. We are already preparing next year's edition and are looking forward to seeing you again.

Our Very Best Regards,

The Paris Games Week Team
